Morse Code 5 Mb RPG 02-Aug-13 34 40 128 Overview The Skull Ship is a real treasure hunter's dream, with a ton of diverse and beautiful settings. From the rocky shores of Nova Zembla, to the darkest depths of the ocean, from the snowy mountains of far-off Dandelo, to the lush jungles of the Sulu Archipelago, and nearly everywhere in between, you'll find yourself on an adventure of a lifetime. And then you'll likely want to come back for more. But be careful not to become lost, or you'll miss the chance to rescue those who are in a similar situation to you. More "Tomb Raider" News. February 19, 2017 - See more at: The game has been confirmed to come to PC, PS3, and PS4. While the game will not be free, it will come with a season pass with three DLC packs. One of them is called "Origins" with a story related to her father, Lara's birth and the first tomb raider game. A second one is called "Infinity" with the addition of a playground mode similar to Splinter Cell and Resident Evil. The last one is called "The Hive" and will focus on.
