I also got it to work with Grand Theft Auto Vice City on Windows XP. The Gta Vice city ultimate trainer now works with my pc . Category:Grand Theft Auto Category:GTA trainersAustralia's election time is used for a lot of things - supermarket shopping sprees, sport matches, football finals, even, sadly, elections. But when you have the country's longest-serving federal MP, who is in a position of great power and prestige, weighing in on national campaigns, chances are there's someone going to get short shrift, right? As voting day approaches, media coverage on federal politics is ramping up. On Thursday a report was released on how the Australian Greens' move to join an increasingly fractured coalition within the Parliament will affect the election. While Labor MP Malcolm Turnbull has won back national headlines with his proposed policy of connecting Australia to the China-backed Trans-Pacific Partnership, his fellow Coalition MPs have been quarrelling about what sort of "Trump" minister should replace him as the acting prime minister, and who will be best able to push the agenda of their party. Then there
